

Corrigendum

Gerd Wolfram, Birgit Gampl and Peter Gabriel (Eds.):
The RFID Roadmap: The Next Steps for Europe.
Springer 2008

*Dr. Gerd Wolfram, Dr. Birgit Gampl, MGI METRO Group Information Technology GmbH
Peter Gabriel, VDI/VDE Innovation + Technik GmbH*

Düsseldorf/Berlin, 7 November 2008

The editors of *The RFID Roadmap: The Next Steps for Europe* would like to thank for the hints to the following errata:

- | | |
|---------------------|--|
| Page xi, line 19–20 | R&D Enviroment
Dr Klaus Pavlik (NXP) |
| Page xxi, line 33 | ETSI European Telecommunications Standards Institute |
| Page 17, line 8 | ETSI (European Telecommunications Standards Institute) |
| Page 19, line 12–15 | [...] Furthermore, ETSI receives income from commercial activities such as the selling of standards on DVD , and events and services to partner and outside organisations. ETSI standards can be downloaded free of charge via the Publications Download Area application. |
